

Dear Patient Family,

We hope this note finds you well, and you are all enjoying your summer! Our renovations for our brand-new office are still in the works. We know it will be worth the wait as sometimes major construction projects can take longer than originally expected. We appreciate your patience as we will continue to provide our patients with the care they deserve in our very comfortable transitional space in Lincroft. Our patients who are scheduled for the remainder of July and August will receive details when we confirm those appointments. Our phone number, (732)741-8040, text service and email, remain the same.

Thank you all, so much, again, for your patience, support and entrusting us to provide your continued care! We can't wait to welcome you to our new space!

Dr. Julie Molin and Team
